Terms and Conditions

The Black Hills Winter Show, sponsored by the Rapid City Chamber of Commerce, solely in the interest of improving quality and increasing livestock numbers in the upper-mid-west area, takes pride in presenting this offering of QUALITY PUREBRED LIVESTOCK.

Through the cooperation of the respective breed associations, every effort has been made to produce only such consignments that are a credit to their association.

NOTE: HAY & STRAW AVAILABLE ONLY DURING DAYTIME HOURS:

7:00 A.M. to 10:00 A.M.

2:00 P.M. to 6:00 P.M.

The terms and conditions under which this sale will be conducted are as follows:

1. Each animal will be sold without reservation to the highest bidder.
2. Buyers will assume all risk on animals as soon as they are declared sold.
3. The auctioneer will settle all disputes as to bids.
4. Each consignor accepts the responsibility of guarantee of his own cattle and has the privilege of giving additional guarantee on his cattle at the time of their sale in the auction ring. The Black Hills Winter Show acts only as agent for the several consignors in this sale and does not assume any responsibility of the animal's future usefulness. If an adjustment needs to be made, it must be made between the purchaser and the consignor.
5. Any change in breeding date will be announced sale day.
6. All animals of breeding age are guaranteed breeders. All entered animals are guaranteed to be without known defects, but nothing further. Animals failing to breed after a trial of six months may be returned to the farm of the seller if in good condition. The seller reserves the right for six months to try said animal and if it proves a breeder to return it to the station of the buyer at his expense. If said animal proves sterile, a satisfactory exchange will be made or purchase price refunded.
7. Terms of every sale are cash. Settlement to be made with sale clerk, at the time of sale unless special arrangements are made with the clerk.
8. Every consignment must conform with existing state sanitation regulations. All necessary health certificates will be issued.
9. Mail bids will be accepted by the Breed Superintendents.
10. Every precaution will be exercised for the safety and welfare of those attending the sale. However, the Black Hills Winter Show, the management or anyone helping with the sale assumes no responsibility for accident or injury.
11. All cattle will be sold in the order that they are placed in the show.

The Banks of Rapid City are co-operating with the Stockman's Commission in the clerking of the sale.

Surely a bull with a pedigree full of Earl Marshall breeding. Elbar of Madelia 20th showing 4 times. Elgamere Lad the sire of "Pudgy" bull we all hear about. Enchanter of Strathmore sired by 100th 2 times. Peg O a great show cow at all the big shows a winner. But lets forget the pedigree for now. We have a great young bull, typy and well balanced and a head we remember. We think this a great prospect and would show him in 1962, but surely short aged.

This bull is very outstanding, has a good quarter, spring of ribs, wide and deep with a wonderful coat of good light hair. Stands on straight legs, with one under each corner, is good headed and from one of our best yellow, roomy cows. We recommend him for a good close look.

We had difficulty in deciding to sell this bull before his calves are dropped this spring as we used him quite a bit. We especially like his smooth fleshing, depth of flank and that overall ruggedness he possesses. He inherits these qualities from both sides of his pedigree.

This bull is from our show herd and is sired by the bull that sired the 1960 National Champion Polled Hereford Bull. Without a doubt this bull is the kind that are making Polled Herefords popular and could make someone a real herd bull.

We have a bull that is a brother to the 1960 National Pld Herf. Champ. We think this is one of the very top bulls offered for sale at a public auction. This bull is right in every way - has Herd Bull appeal and sells with a very high recommendation.
